Signature of Plaintiff

This my second presentation of what I had found of why I was attacked by nonprofit organizations. I learned that psychology is a systematic understanding. Which explains a great deal I have been a great understanding of intelligence One the fastest kid in my grad level and 8<sup>th</sup> grade I had one of the highest grades on the proficiency test of all time. I had an administrator in juvenile court how would not lock me up because I never was at school but passed reading writing and citizenship. Me being of great use to work force facts showing from employment from White Castle they would not let me back into Columbus public schools. Which lead to me working when I was just a kid learning how to manage money. People that have mental issues are Jealous that suffer from personality dysfunctions and me being in customer service prove I was not. But because of side effects of mental drugs I was in the streets looking for answer of why Columbus systems where after me. These understandings come from. Adolphe 1796-1874, Emil Kraelin 18556-1926 and I learn out the books. The author Alan porter, Phycology, and H. Winter Griffth, M.D a complete guild to prescription and nonprescription drugs. I'm a man that has been successful in anything I been in and have overcome the best knowledge people in Columbus, Ohio. While being in mental hospital less than a month and making it back to be punish not in the right of the Justice system. I have been beating in the head by cops in January 2004 and was sent to Mount Carmel hospital and treated for a head trauma. There is much more and I asking for more time but case be open for Justice to be severed in my name.

Shamar Whitney Montgomery February 13<sup>th</sup> 2020.

Shamar Montgomery

Reason why I deserve my money and Removal of Julie Lynch of Manipulative Courts.

I have did many of appeals and today I presenting health records that are not of good charter of Columbus Justice system, health systems, corrections and small business. I had went and got my records from Mount Carmel hospital and found that on August 30 of 2009 that there where record coving of my records. I had surgery do to the fact that I was incarcerated in was supposed to be realest on the 8<sup>th</sup> of that month. I had got into a fight with a group of people that where held at the workhouse off frank RD. in Columbus, Ohio. They had solved the situation and put me in a holding celling. Where they gave me some mental drugs and help me there past my out date. They expedited me to Twin Valley. When arrived at Twin Valley they since that my arm was split open and would not take me in them condition and told to get me treated and bring me back. The Columbus systems than not know that I was of a good sound mind and some day would figure my case out made of the records that I'm presenting to day.

I went the 12 of February of 2020 to get my probation papers and found that Judge Lynch was not mission in the involvement of my probation. When she was the one to sentence me to 6 months in the same place which is the workhouse according to what I call it but also is Franklin county corrections 2 because I refuse to take medication because of my study in college where falling back. She never herd my case because she said of late arrival.

I will be providing more records but today I have to protect myself by failing these to save my protection because people seek to put me in the mental hospital to save their work understanding.
